Hire a boat and journey along the wonderful Grand Western Canal in Tiverton.

The Grand Western Canal is a Country Park and Local Nature Reserve and is 11 1/4 miles long and makes for a truly memorable day out.

Devon Canoe and Rowing Boat Hire offer a range of hire boats which are available hourly from the Tiverton Canal Co's Shop & Booking Office.

**Rowing Boats:** are a fun way to see the canal and can fit a maximum of four people making them a great way for the whole family to join in. One of our guests told us, "we hired out a boat for two hours and had a lovely time in the bright sunshine, two adults and two teenagers, who all equally enjoyed it."

**Canadian Canoes:** are for the more adventurous, their faster pace allows you to see more of the canal and the wildlife in the surrounding area. These boats seat two people (one in front & one in the back) so are ideal for couples or friends wanting to experience a more unique way of sightseeing.

Whether you choose Rowing or Canoeing, we just want you to have fun on the this very beautiful canal . . . with a day you'll remember!
